

## Directions for Use of the Agreed Statement and Accident Report

*This form is in the pattern approved by the European Insurance Committee (C.E.A.)*

### To be used for any motor vehicle accident

#### What to do in case of accident ?

- If there are injuries :
  - If the severity of the injuries justifies it, dial 100 which alerts the hospital authorities and the Police.
  - Contact the Police immediately - you are legally obliged to do so - in those cases when it is not necessary to dial 100.
  - Make a note of the name, address and telephone number of the injured persons before they leave the scene (on the inside cover of this report form).
- If damage to vehicles only :
  - If you are impeding traffic, traffic regulations require you to remove your vehicle as soon as possible. However, take the precaution of marking on the ground the four corners of the vehicles with chalk or otherwise. Make a note, if appropriate, of brake marks, mud or debris. Photographs are always useful.
  - Call the Police if you think it will be in your interest, for example if the other driver refuses to give his version or to sign the report form.

#### How does one fill in the Accident Statement ?

- At the scene of the accident :
  1. Use one copy of the Agreed Statement of Facts if 2 vehicles are involved (2 copies if 3 vehicles, etc.). It doesn't matter who supplies it or who completes it. Preferably use a ball-point pen and press hard ; the carbon copy will be more legible.
  2. Do not forget, when filling in the statement :
    - to refer before replying to the questions ;
    - (a) under items 6 and 8, to your insurance documents (certificate or green card) ;
    - (b) under item 9, to your driving licence ;
    - to indicate precisely the point of initial impact (item 10) ;
    - to put a cross (X) in each of the spaces level with each of the items relevant to the circumstances (Nos. 1 to 17) of the accident (item 12) and to indicate the number of spaces so marked ;
    - to make a plan of the accident (item 13).
  3. If there were any witnesses to the accident, write down their names and addresses, particularly if you encounter difficulties with the other driver.
  4. Sign the statement and get it signed by the other driver. Hand one of the copies to him and keep the other one.
- When you get home :
  - Complete the details which your insurer requires, by filling in the accident report on the back of the form.
  - Do not forget to state precisely where and when your vehicle will be available for inspection in order that an assessor may be able to inspect the damage as quickly as possible.
  - Under no circumstances alter anything on the face of the form.
  - Forward this document without delay to your insurer.
- Special notes :
  - If the other driver also has a form in the pattern approved by the European Insurance Committee but in a different language, you can agree to use his form. It is identical with yours and you can therefore follow the translation from item to item (they are numbered for this purpose) on your own form.
  - The present form can also be used in the case of accidents where no third-party injuries are involved, for example : own damage, theft, fire etc.

As soon as you receive a new form, put it in the glove compartment of your vehicle.
